Graft in Furnishing Bondsmen.

In most of the cases it is a hardship get a bondsman. Although it was A Strange Tongue Discovered in never known that any of the thousands upon thousands of these bonds were ever forfeited, the ordinary police court prisoner has difficulty in finding a man who will pledge himself with real estate security to the extent of \$500 for the prisoner's good behavior. There is need apply: where the professional bondsmen comes He knows that even if the prisoner to \$50 for going on a bond. If the victim demurs to the charge the magiskeep the man locked up until his friends raise the money. It sometimes takes two or three distributions takes the money of the five swats were scratches two or three days, but the man stays jail until the bondsman's fees are ets.

The magistrate has discretionary powers as to accepting bondsmen. By refusing every one that is offered and by givman would be acceptable he can practically confine the business in his court to one man, to the profit of that man and himself. In certain police courts estimates are freely given as to the double the series of the court of the court of the court series are freely given as to the double the swipe that started the merry-go-round.

Certain of the magistrates have favorite lawyers who are practically their business partners. They have copied the system of the pickle trust. If a case against a prisoner is strong and it looks at if a term in State's prison was in store for him a suggestion is made that he hire a lawyer whose name is mentimed and whose fee is large. It is either the big fee or prison. The case ether the big fee or prison. To diags on and is finally dismissed.
